Case No. 3086/1122 (BH2079)

DECLARATION FOR PATENT APPLICATION

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled COSMETIC COMPOSITION CONTAINING A SKIN-WHITENING AGENT AND SODIUM MAGNESIUM SILICATE, the specification of which:

is attached hereto.		
was filed on as	s Application Serial No	
and was amended on	(if applicable).	
I hereby state that I have reviewed and amended by any amendment referred to	d understand the contents of the above-identified specification above.	, including the claims, as
I acknowledge the duty to disclose inference Regulations, § 1.56(a).	formation which is material to the patentability as defined in	Title 37, Code of Federal
I hereby claim foreign priority benefits under 35 U.S.C. § 119(a)-(d) or § 365(b) of any foreign application(s) for patent or inventor's certificate or § 365(a) of any PCT International application which designated at least one country other than the United States, listed below and have also identified below, by checking the box, any foreign application for patent or inventor's certificate, or PCT International application having a filing date before that of the application on which priority is claimed:		
Prior Foreign Application(s)		Priority Claimed
(Number) (Count	try) (Day/Month/Year Filed)	Yes No
I hereby claim the benefit under 35 U.S.	S.C. § 119(e) of any United States provisional application(s) liste	ed below:
-		
(Application Serial No.)	(Filing Date)	
I hereby claim the benefit under 35 U	J.S.C. § 120 of any United States application(s), or § 365(c)	
I hereby claim the benefit under 35 U application designating the United State is not disclosed in the prior United Stat U.S.C. § 112, I acknowledge the duty		claims of this application the first paragraph of 35 defined in 37 CFR § 1.56
I hereby claim the benefit under 35 U application designating the United State is not disclosed in the prior United Stat U.S.C. § 112, I acknowledge the duty which became available between the fil	J.S.C. § 120 of any United States application(s), or § 365(c) of es, listed below and, insofar as the subject matter of each of the tes or PCT International application in the manner provided by to disclose information which is material to patentability as deling date of the prior application and the national or PCT International Or PCT Intern	claims of this application the first paragraph of 35 defined in 37 CFR § 1.56 national filing date of this
I hereby claim the benefit under 35 U application designating the United State is not disclosed in the prior United Stat U.S.C. § 112, I acknowledge the duty which became available between the fil	J.S.C. § 120 of any United States application(s), or § 365(c) of es, listed below and, insofar as the subject matter of each of the tes or PCT International application in the manner provided by to disclose information which is material to patentability as deling date of the prior application and the national or PCT International Or PCT Intern	claims of this application the first paragraph of 35 defined in 37 CFR § 1.56 national filing date of this
I hereby claim the benefit under 35 U application designating the United State is not disclosed in the prior United State U.S.C. § 112, I acknowledge the duty which became available between the fil application: (Application Serial No.) I hereby declare that all statements mad belief are believed to be true; and furth the like so made are punishable by fine	J.S.C. § 120 of any United States application(s), or § 365(c) of es, listed below and, insofar as the subject matter of each of the tes or PCT International application in the manner provided by to disclose information which is material to patentability as deling date of the prior application and the national or PCT International Or PCT Intern	claims of this application the first paragraph of 35 defined in 37 CFR § 1.56 national filing date of this None ed, pending, abandoned) made on information and illful false statements and the United States Code and
I hereby claim the benefit under 35 U application designating the United State is not disclosed in the prior United State U.S.C. § 112, I acknowledge the duty which became available between the fil application: (Application Serial No.) I hereby declare that all statements mad belief are believed to be true; and furth the like so made are punishable by fine	J.S.C. § 120 of any United States application(s), or § 365(c) des, listed below and, insofar as the subject matter of each of the tes or PCT International application in the manner provided by to disclose information which is material to patentability as deling date of the prior application and the national or PCT International deling Date) (Filing Date) (Status-patents are that these statements were made with the knowledge that were or imprisonment, or both, under Section 1001 of Title 18 of the	claims of this application the first paragraph of 35 defined in 37 CFR § 1.56 national filing date of this None ed, pending, abandoned) made on information and illful false statements and the United States Code and
I hereby claim the benefit under 35 U application designating the United State is not disclosed in the prior United State U.S.C. § 112, I acknowledge the duty which became available between the fil application: (Application Serial No.) I hereby declare that all statements mad belief are believed to be true; and furth the like so made are punishable by fine that such willful false statements may je Inventor's Signature Full name of sole or first inventor Residence	J.S.C. § 120 of any United States application(s), or § 365(c) des, listed below and, insofar as the subject matter of each of the tes or PCT International application in the manner provided by to disclose information which is material to patentability as deling date of the prior application and the national or PCT International date of the prior application and the national or PCT International deleters of my own knowledge are true and that all statements her that these statements were made with the knowledge that we cor imprisonment, or both, under Section 1001 of Title 18 of the copardize the validity of the application or any patent issued the AMY ZIMMERMAN Grand Rapids, Michiagn	claims of this application the first paragraph of 35 defined in 37 CFR § 1.56 national filing date of this None ed, pending, abandoned) made on information and fillful false statements and the United States Code and ereon.
I hereby claim the benefit under 35 U application designating the United State is not disclosed in the prior United State U.S.C. § 112, I acknowledge the duty which became available between the fil application: (Application Serial No.) I hereby declare that all statements mad belief are believed to be true; and furth the like so made are punishable by fine that such willful false statements may je Inventor's Signature Full name of sole or first inventor Residence Citizenship	J.S.C. § 120 of any United States application(s), or § 365(c) des, listed below and, insofar as the subject matter of each of the tes or PCT International application in the manner provided by to disclose information which is material to patentability as deling date of the prior application and the national or PCT International deling date of the prior application and the national or PCT International deling date of material to patentability as deling date of the prior application and the national or PCT International deline date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national date of the prior application and the national date of the prior application and the national date of the pr	claims of this application the first paragraph of 35 defined in 37 CFR § 1.56 national filing date of this None ed, pending, abandoned) made on information and fillful false statements and the United States Code and ereon.
I hereby claim the benefit under 35 U application designating the United State is not disclosed in the prior United State U.S.C. § 112, I acknowledge the duty which became available between the fil application: (Application Serial No.) I hereby declare that all statements mad belief are believed to be true; and furth the like so made are punishable by fine that such willful false statements may je Inventor's Signature Full name of sole or first inventor Residence	J.S.C. § 120 of any United States application(s), or § 365(c) des, listed below and, insofar as the subject matter of each of the tes or PCT International application in the manner provided by to disclose information which is material to patentability as deling date of the prior application and the national or PCT International date of the prior application and the national or PCT International deleters of my own knowledge are true and that all statements her that these statements were made with the knowledge that we cor imprisonment, or both, under Section 1001 of Title 18 of the copardize the validity of the application or any patent issued the AMY ZIMMERMAN Grand Rapids, Michiagn	claims of this application the first paragraph of 35 defined in 37 CFR § 1.56 national filing date of this None ed, pending, abandoned) made on information and fillful false statements and the United States Code and ereon.
I hereby claim the benefit under 35 U application designating the United State is not disclosed in the prior United State U.S.C. § 112, I acknowledge the duty which became available between the fil application: (Application Serial No.) I hereby declare that all statements mad belief are believed to be true; and furth the like so made are punishable by fine that such willful false statements may je Inventor's Signature Full name of sole or first inventor Residence Citizenship	J.S.C. § 120 of any United States application(s), or § 365(c) des, listed below and, insofar as the subject matter of each of the tes or PCT International application in the manner provided by to disclose information which is material to patentability as deling date of the prior application and the national or PCT International deling date of the prior application and the national or PCT International deling date of material to patentability as deling date of the prior application and the national or PCT International deline date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national or PCT International date of the prior application and the national date of the prior application and the national date of the prior application and the national date of the pr	claims of this application the first paragraph of 35 defined in 37 CFR § 1.56 national filing date of this None ed, pending, abandoned) made on information and fillful false statements and the United States Code and ereon.
I hereby claim the benefit under 35 U application designating the United State is not disclosed in the prior United State U.S.C. § 112, I acknowledge the duty which became available between the fil application: (Application Serial No.) I hereby declare that all statements mad belief are believed to be true; and furth the like so made are punishable by fine that such willful false statements may je Inventor's Signature Full name of sole or first inventor Residence Citizenship Post Office Address Inventor's Signature Full name of sole or first inventor	J.S.C. § 120 of any United States application(s), or § 365(c) des, listed below and, insofar as the subject matter of each of the tes or PCT International application in the manner provided by to disclose information which is material to patentability as deling date of the prior application and the national or PCT International deling date of the prior application and the national or PCT International deling date of the prior application and the national or PCT International deling date of the prior application and the national or PCT International deling date of the prior application and the national or PCT International deling date of the prior application date and that all statements derived the three statements were made with the knowledge that we are that these statements were made with the knowledge that we are that these statements were made with the knowledge that we are that these statements were made with the knowledge that we are that these statements were made with the knowledge that we are that these statements were made with the knowledge that we are that these statements were made with the knowledge that we are that these statements were made with the knowledge that we are that these statements deep representation of the prior application of any patent issued the correct date of the prior application of the pr	claims of this application the first paragraph of 35 defined in 37 CFR § 1.56 national filing date of this None ed, pending, abandoned) made on information and illful false statements and the United States Code and the United States C
